

Please be mindful when entering and leaving the building. We have vulnerable residents, that may try to leave the building whilst the doors are open. Many thanks.

Four Acres Newsletter

Please be aware that our staff have to input information on our devices, about our residents, on a regular basis. It may look like they are on their phone but they are not!

News about what we got up to in May and what we have planned for the coming month.

Staff and residents joined in with the community Spring Tea Dance at Studley Village hall on Wednesday 8th May. It was a wonderful afternoon and lots of fun was had by all. We all sang, danced, drank tea and ate cake! We also managed to dodge the rain too as it was a particularly soggy day.

On Wednesday 8th May, it was Wacky Wednesday at Four Acres. The theme was Disney/sparkly and all staff that took part paid £1 that went directly into the residents Activity Fund. It was a lovely addition to a lovely day.

Our Community Coffee Mornings are becoming more popular by the week! It's lovely to see so many people from the community coming into the home and some real connections and friendships have been made. It creates a wonderful atmosphere in the home. Please feel free to join us!

**DIGNITY
STAR OF THE
MONTH!**

Our Dignity Star for May is Karen Carnell. Karen is one of our hard working Domestic team. Well done Karen!

On Tuesday 28th we had Georgi Barratt visit the home to entertain and sing with and for the residents. It's the 2nd time that Georgi has been here and she commented as she left 'It's wonderful here, everyone is fabulous. I love how residents and staff have joined in!' We will be having Georgi visit in the future, so please keep an eye out as she's well worth seeing.

On the evening of Monday 20th May, Studley Rainbows came to visit us. They donated some plants for our garden and helped to plant them too. It was a lovely evening and the residents thoroughly enjoyed seeing the little ones and loved to watch them all chatting and playing games.

We popped down to the local Coffee Break morning at Studley Village Hall on 28th May. It was lovely to see our residents being made to feel so very welcome by members of our community.

Pictures of our some of our birthdays this month.

Beryl was 90 on 29th

Audrey was 86 on 3rd

John was 84 on 12th

Church Service in Four Acres

Every 1st and 3rd Sunday in the month, we have a church service here in the coffee shop. It begins at approximately 6.30pm and is about an hour long. Refreshments are served afterwards. Everyone is welcome.
