

AUTUMN EDITION 2018

# LEAWOOD MANOR CARE HOME

November 2018

## Welcome Note:

This edition of the newsletter will give an insight into what we have been doing over the autumn Thank you to everyone for all of the donations received which went towards many of the activities for the residents to enjoy.

We hope you enjoy reading this newsletter.

## Autumn Summary:

Over autumn we have had a variety of different events and activities taking place. In September we had a pony visit which the residents enjoyed. The pony made his way throughout the home and visited every resident that wanted to see it.

Summer Fete took place on 31st August where we raised nearly £900

We took the residents out for multiple pub lunches at the nearby pub, Meadow Covert which they have enjoyed very much.

We had a visit from a singer;

Cooked with Gary, Tracey and Sarah as well as baked some tasty treats with the residents, and enjoyed them with a nice cuppa;

The Alzheimer's memory walk took place on 20th October where we raised over £600!

We also made the home spooky and decorated some Halloween masks.

## 70th Wedding Anniversary

# Alzheimer's memory walk

Six staff members and five residents from Leewood Manor did the charity memory walk which they thoroughly enjoyed to raise awareness of those living with dementia in conjunction with partners Health (Rushcliffe GP Practices) and Rushcliffe Borough Council on Saturday 20th October at Rushcliffe Country Park. We are raising money for Alzheimer's society, we donated 100 cup cakes for the fund. We raised just over £600.00.
