

The children from the Coleshill C of E Primary School next door to our home recently had a Bake-off Competition and they were inundated with cakes!

They very kindly popped in unannounced with some absolutely fantastic cakes for the residents and families to enjoy. We were all very surprised and grateful for their donation.

The Children took the cakes around to show the residents and were happy to pose for a photo for us. A big thank you to the children from the Coleshill C of E Primary School!
