Top News!!! - Dancing for Dignity!!!

The morning was an outstanding success with lots of smiles, singing, wiggles and giggles. We danced to a variety of songs from Blame it on the Boogie to the Conga! We even managed to get Baby Shark into the session too which went down a treat! Our residents managed a full hour of active movement with some singing along the way to get their energy back. We had 17 fully engaged residents with family members popping in and out during the morning too.

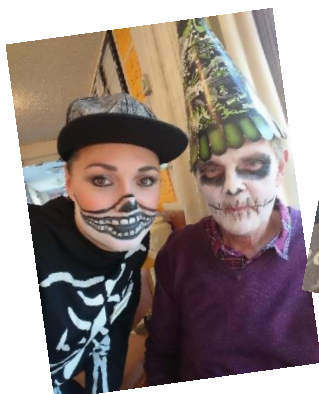

There is a collage of photos at the front entrance.

Family Halloween Party

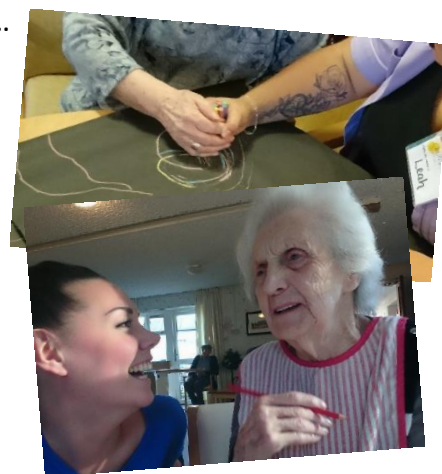

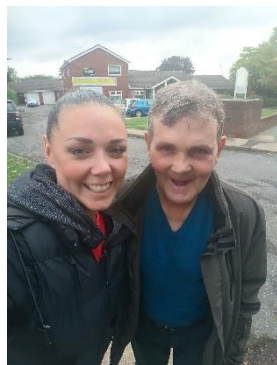

We had a Spooktacular time at our Halloween Party. Invites went out to our friends and family of the home and we had a Spooky “knees up” to celebrate Halloween. It included dancing, food, drinks, face painting, arts & crafts, name the gorilla and best dressed competition.

16 residents joined in with the party. Laughing, dancing, singing and enjoying the buffet food. There were plenty of friends and family, young and old getting into the Halloween spirit.

Recent Activities

As well as our Dancing for Dignity event this month we have been trying out new activities throughout the whole of October. Parachute games, cake decorating, chalk pictures, ball games, and weekly walks...
