THE LAWNS IS LIKE BRANCHES ON A TREE, WE MAY GROW IN DIFFERENT DIRECTIONS BUT OUR ROOTS REMAIN THE SAME.

Valentine's Day 2018.

Residents, Staff, and families enjoyed an evening of wine and buffet snacks.

Residents enjoyed the Valentine's props for their photographs, and competed in a Coloring competition.

Feedback from all was positive and can't wait for the next event.

Saturday Matinee.

Each Saturday the residents have a film on for them to watch.

They can enjoy, popcorn, sweets, and drinks, they get to choose the film they would like to watch in the week and all is displayed on the daily board in Reception.

Residents use the large day room upstairs and have it set for a movie day.
