Spring 2019

As the weather has been warming up we have enjoyed some pot planting to give our garden some colour in time for spring.

We enjoyed making cakes to raise money for Comic Relief

Mothers Day Activities

We all enjoyed celebrating Mothers Day with loved ones, ladies enjoyed fresh flower arranging with our volunteer Ann, some beautiful arrangements!

Then we enjoyed a Mothers Day Cream Tea with relatives, sandwiches, cakes and cream scones!!

We enjoyed a sing a long with Belen on the guitar

We also had a fantastic opportunity to create and make our own music with the Sinfonia Viva Music Project we have then been invited to the church where they will perform our created piece with an orchestral band. We have really enjoyed them coming in each week

+

One of our residents Sylvia used to play a cornet in the Boxted Methodist Silver band. Sylvia was given the opportunity to play a trumpet which is very alike the cornet and was very surprised to realise that she could still blow it!! We are trying to obtain a cornet for her so she can continue to fulfil her hobby
