

DIGNITY DAY

A Journey Back in Time

1st of February 2016

Our theme is aimed to travel back in time to appreciate the era's our residents grew up and to help them reminiscence. Each unit will represent a different decade.

Gadeview 1940's

Leas 1950's

Verway 1960's

Colne Path 1970's

Links 1980's

We would like all staff to dress up to represent each decade, it would be appreciated if you could co-ordinate your outfit with your designated unit as this will help with the visual appearance.

DIGNITY DAY

A Journey Back in Time

1st of February 2016

All Family and friends are invited to join us on our journey back in time to visit those eras where our residents created special memories. Our Journey will be a different decade with each

suite, we will start with the 1940's on Gadeview, then travel to the 1950's on the Leas, the journey will continue upstairs on Verway with the 1960's, the 1970's will be round the corner on Colne Path and our journey will finish in the links with 1980's.

This day is to show the residents that we appreciate each of their personal stories and to help them relive those precious memories.

Any donations to help this day be more special would be much appreciated.

Everything from food, to items of clothing for the residents to wear on the day to decorations.
