To everyone at Waterfield House Care Home,

Please accept my very truest and deepest gratitude and appreciation for all the loving care that you gave to my dearest love in my life, my beloved Edie, during her time with you.

Through such difficult - almost impossibly frustrating times, you had to keep going no matter what. I could thank so many of you by name but you know who you are and I wouldn't wish to miss anyone out. Bless you and thank you all.

Poor Edie didn't understand what was going on and she so needed that physical contact from me. Holding hands reassured her of our love.

Only a few weeks ago during a window visit Edie gave her a felt pen and paper on which she wrote straight away "Do you still love me?" and held it up for me. She so needed my love.

If only I could have held her at the end. I might have gone over with her - we were so spiritically close. We will join up again I'm sure.

So thank you all once again for all you could do for her - My very, very special Edie x.

Sincerely & Respectfully  Michael J. Richardson
