

Windle Court Relatives Newsletter

Pauls Blog:

Firstly apologies , I appreciate this newsletter is slightly later than it should be. I was too eager to share the National Care Home Open Day event with you in this newsletter rather than wait another 2 weeks before sharing.

I have to say I am so immensely proud of my entire team for organising and taking part in the event. They have surpassed themselves and really went the extra mile to ensure everyone had a great time – and yes that is me dancing. The Deputy Mayor attended the event and commented on the feel of the home and we had the following feedback by a visitor

“Best Home I have visited staff were amazing with the residents. All look happy . Lovely clean happy homely care home”

**To everyone who took part
THANK YOU !!**

Essex Update

We are meeting with Essex County council on Wednesday 25th to review our Action Plan. We will also be visited by Essex Quality Team on Thursday 26th as part of the review. If anyone would like to come to the home on 26th and celebrate the home, we would be really appreciative

Recruitment and Staff Changes

Recruitment

It is with great pleasure that I can announce we have recruited the following positions

Collette Stemp CTM days – she will commence 24/4/18

Due to Start

James Williams Care Assistant for days

Marie McBride CTM Days

Bianca Effency Carer Days

Rosell Mantis CTM Nights

Keelie Blancher CTM Nights

Linda Thompson Carer Nights

Leavers

Sadly the following staff have left or will be leaving in the near future

Sam CTM last Day at Windle will be 27th April 2018

I would like to thank her for all her hard work and dedication to Windle Court over the years – GOOD LUCK SAM !

Trinity Church

A couple of meetings back, some of you were asking about us working with a Local Church. We have now connected to the Trinity Church in South Woodham and we are discussing how we can work together. I hope that in the next newsletter I will be able to share what we are going to be doing

Garden Project

As the sun is shining we are seizing the opportunity to revamp the garden and as a activity we would like to encourage the residents to design and make some hanging baskets for their gardens therefore if you have any hanging baskets you don't need, compost or bedding plants we would be very grateful to receive this.
